MEMORANDUM FOR: The Deputy Director (Support)

SUBJECT: Manpower Task Force

REFERENCE: Your memoranda of 16 and 18 July 1962,
same subject.

1. The officers you have agreed to provide for the Task Force are acceptable. I welcome them to this common effort and feel sure that they will make an important contribution. I shall make an honest effort to complete this survey within five weeks and return your officers to their components.

2. I shall discuss with the members of the Task Force and Mr. Bross which of your offices we should select for review. I hope that we may be able to survey two of them. I shall inform you of our selection.
